

EFF-ERAYZA™

Powerful efflorescence, rust stain & mortar mess remover - but no fumes and it won't burn you

EFF-ERAYZA™ is the replacement for traditional muriatic and phosphoric acids

NEW TECHNOLOGY POWERFUL, SAFER ACID CLEANER

NON-FUMING

Eff-Erayza™ doesn't release toxic, dangerous fumes and temporary skin exposure does not cause burns.

POWERFUL CLEANER

Eff-Erayza™ is just as powerful as muriatic acid for removing efflorescence, rust stains, grout haze and mortar mess. Plus, the longer dwell time means it cleans more deeply and efficiently.

EASIER TO USE

Eff-Erayza™ reacts slower and is much easier to control.

SUPER CONCENTRATE

1 quart of Eff-Erayza makes approximately 4 gallons of powerful efflorescence remover.
