PROTECTING YOUR INVESTMENT

WITH HIGH QUALITY MODIFIED SILANE TECHNOLOGY SINCE 1991 AROUND THE WORLD

PROTECT

Stain-Proof® sealers are formulated using a unique sealing technology – our sealer molecules are approximately 400+times smaller than other impregnators and penetrate much further into the pores to form a deeper water and oil repellent barrier, providing optimum protection to surfaces such as natural stone, bricks, pavers, tiles, engineering concrete and grout.

	Countertops	Porcelain & Quartz Tops & Tiles	Bathroom Floors / Showers	Restoration Surfaces	Mosaics in backsplashes or shower floors	Grout	Cement Tiles	Precast Concrete	Pool Coping	Decks	Walls Cladding	Interior Floors	Showers/Bathrooms	Stucco	Porcelain Pavers/Tiles	Fireplace
