STAIN-PROOF'S IMPREGNATING SEALERS AND CLEANERS

THE TECHNOLOGY THAT SETS US APART

Stain-Proof® sealers are formulated using a unique sealing technology – our sealer molecules are approximately 400+times smaller than other impregnators and penetrate much further into the pores to form a deeper water and oil repellent barrier, providing optimum protection to surfaces such as natural stone, bricks, pavers, tiles, engineering concrete and grout. **Stain-Proof also offers daily and heavy-duty cleaners specifically formulated to tackle a variety of needs. To choose the perfect care and maintenance solution for your project, visit stain-proof.com.**
