

SMC PEROXIDE CLEANER

PREVIOUSLY KNOWN AS S-TECH™

STONE & MASONRY CLEANER

A unique, ready-to-use hydrogen peroxide-based cleaner that is specifically designed for cleaning stubborn organic stains and deeply embedded dirt in porous stone and masonry.

TYPICAL APPLICATIONS

Alkaline Cleaner is recommended for cleaning outdoor surfaces including patios, building facades, decks, cladding, garages, driveways, eating and entertaining areas. Alkaline Cleaner is safe for domestic and commercial cleaning of hard surfaces, including:

- all natural stone (including acid sensitive, calcite based stones such as marble and limestone).
- porcelain, ceramic and clay tile.
- brick, masonry, concrete and grout.
- vinyl and unfinished wood (with no stain, oil or other coatings).

BENEFITS

- A revolutionary cleaner for stone & masonry.
- Deep penetrating, foaming and lifting action.
- 7.5 pH - will not harm most stone and masonry substrates.
- Fast acting formula.
- Restores stone and masonry to its original look.
- Ideal for historic preservation, historic buildings, monuments, tombstones, sculptures and other architectural surfaces.
- A true labor saver.
- For interior and exterior use.
- Ready to use.

COUNTRY OF MANUFACTURE

Made in the USA with globally sourced materials.

VOC CONTENT

VOC (Calculated): < 5 g/L

PACK SIZE

1 QUART | 151010

2.5 GALLON | 151000

HOW TO USE

TEST PRODUCT ON A SMALL, INCONSPICUOUS AREA FIRST. Allow a 24-hour cure time to determine the ease of application and desired results. STAIN-PROOF™ SMC Peroxide Cleaner can be applied with a pump sprayer, watering can or mop/brush. When applying, saturate the affected material, then agitate the substrate with a nylon bristle brush to generate a profuse foam. Reapply a light coat of STAIN-PROOF™ SMC Peroxide Cleaner and let stand for 5 to 10 minutes. Agitate the substrate a final time and let stand for another 5 to 10 minutes. Use a clean water rinse to get the suspended dirt and debris away from the substrate. On deeply soiled materials an additional one or two applications may be necessary to restore the substrate to its original look. The full brightening effects will be seen within 24 hours as the surface dries.

NOTE: Only add STAIN-PROOF™ SMC Peroxide Cleaner to application equipment that is clean and free of dirt and debris. Additionally, never return unused material to the original container that the STAIN-PROOF™ SMC Peroxide Cleaner came from. No claim is made by this product to prevent, destroy, repel or mitigate any living organism.

CAUTIONS

WARNING: Causes serious eye irritation. May cause respiratory irritation. **PRECAUTIONS:** Do not handle until all safety precautions have been read and understood. Avoid breathing mist/vapours/spray. Wear protective gloves/protective clothing/eye protection/ face protection. Wash thoroughly after handling. Use only outdoors or in a well ventilated area KEEP OUT OF REACH OF CHILDREN.

FIRST AID

If exposed or concerned get medical advice. IF ON SKIN: Wash with plenty of soap and water. IF INHALED: If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing. If breathing has stopped give artificial respiration. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

STORAGE

Keep container tightly closed. Store in a well ventilated area. Product shelf life (in original sealed container): 12 months minimum. IN CASE OF Fire: Use alcohol resistant foam or normal protein foam for extinction.

DISPOSAL

Dispose of contents in accordance with applicable local/national/ regional/ international regulations.

CONTENTS

Hydrogen peroxide, alcohols C9-11 ethoxylated, sodium 1-hydroxyethylidene diphosphonate, and sodium octyl sulfonate
